Re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and the Electric Power Board of Chattanooga Pursuant to Sections 251 and 252 of the telecommunications Act of 1996.*  
Docket No. 01-00838

Dear Mr. Hicks:

The above Amendment was filed with the Tennessee Regulatory Authority on September 26, 2001. Sections 4.1.3.2.2 & 4.1.3.2.3 of the Amendment contain following wording:

“Intercarrier compensation for local calls between BellSouth and EPB Telecommunications shall be as described in BellSouth’s UNE Local Call Flows set forth on BellSouth’s web site.”

Subsequent to this filing, the TRA Staff verbally requested that BellSouth provide a copy of the UNE Local Call Flows as an attachment to the Amendment so that the Amendment will contain all the rates terms and conditions under which BellSouth and EPB will operate. A copy of the requested information was filed by BellSouth on November 1, 2001. However, the November 1, 2001 filing did not include a revised Amendment establishing the provided call flow diagrams as an exhibit or attachment to the Amendment.

Please provide, by November 17, 2001, a revised Amendment deleting the reference to BellSouth’s web site in Section 4.1.3.2.2 & 4.1.3.2.3 and establish the UNE Call Flows diagrams as an attachment to the Amendment. Upon receipt, we will complete examination of the filing and move the docket to completion.

If you have any questions concerning this matter, or require additional information, please contact C.D. Mundy at 615-741-2791 ext. 166

Sincerely,

David Waddell, Executive Secretary
